HOTEL CONSTRUCTION DATABASE
All Global Projects, Details & Contacts
24/7 Access - Daily Updates

Join our expert community on **Linked in**.

More than 7,500 Hotel Construction Professionals.

TOPHOTEL**PROJECTS** is the leading online database for worldwide first class & luxury hotel construction projects.

YOU can focus on sales, while WE constantly research hotel projects.

Why waste your time & energy with exhausting research efforts? Improve your lead generation and increase sales by consequence. Your next customer is just a click away. Let us do the weary hotel project research work for you and allow for more focus towards developing your sales by approaching key decision makers.

Our international research team will keep you informed about the latest hotel projects in the global first-class and luxury hotel market. 24 hours per day, 365 days per year - as a subscriber you just log into tophotelprojects.com and always find your next customer.

WHY LEADING SUPPLIERS SUBSCRIBE TO TOPHOTELPROJECTS

- **Over 4,000 hotel projects leads**
- **Key contacts**
- **Search by hotel project types**
- **Projects description in detail**
- **Continuous project updates**
- **Various filter options**
- **Best value for money**

Every month we add more than 150 hotel projects with all key facts & figures – number of rooms, facilities, project start, opening date, key contacts, background information and more.
